

For the Republic of Guyana's Olympic Team

## List of Sent Items

Date City

Item List			Explanation	Quantity
Local Specialties of Date City	① Knit Tote Bag		Date City is a municipality with a prosperous knitting industry. The waterfall of Guyana and local specialties of Date City serve as motifs in this knit tote bag, which has a soft and charming texture. (When cleaning, hand wash the soiled area, and avoid the printed section)	1
	② Olympic Limited-Edition Wild-Boar Leather Keychain		Date City is a municipality with thriving agriculture. An attempt to use crop-damaging wild boar in promoting the regional economy has led to these products, made of wild boar leather. These are limited-edition keychains made with a baseball motif in order to commemorate the opening of the Olympics.	1
	③ Keychain		A keychain made from the leather of wild boars caught for extermination within Date City. Either the braided or flat design will be sent.	1
	④ Ino-Key		A keychain patterned after a wild boar, made from the leather of wild boars caught for extermination within Date City. It is fashionable when attached to a bag, or used as an accessory.	1
	⑤ Aka-Bekko Badge		A badge patterned after the traditional <i>aka-bekko</i> toy of Fukushima Prefecture's Aizu Region. It is made from the leather of wild boars caught for extermination within Date City. It is an amulet for protection against misfortune.	1
	⑥ Momo-no-Megumi Peach Juice		This is 100% peach juice, made with peaches grown in Fukushima Prefecture. Best before March 12 <sup>th</sup> , 2022	1
	⑦ Momo-no-Kiwami Peach Juice		This is 100% peach juice, made with golden peaches grown in Fukushima Prefecture. Best before March 11 <sup>th</sup> , 2022	1
